

About Us

Family Support and Partnership Care Ltd. is a leading social care agency, run by qualified Social Workers and District Nurses. We provide short breaks, family support, and social work services to children aged 0-25 with complex health and social care needs. We are CQC-registered, offering both short- and long-term support services, including crisis intervention and 24/7 emergency care.

Mission Statement

We strive to be the preferred partner for Local Authorities by providing high-quality, compassionate support that helps children live safely and sustainably at home while enhancing the quality of life for the whole family.

FAMILY SUPPORT &
PARTNERSHIP CARE

**Supporting Families and
Empowering Children via
Positive Behaviour Support &
Person-Centred Care**

Aims and Objectives

- ✓ Ensure positive outcomes for children and young people with complex needs by supporting their health, emotional well-being, education, social life, and development in partnership with Local Authorities.
- ✓ Provide necessary support and services to maintain children's safety and well-being at home.
- ✓ Promote the development of life skills and independent living abilities in children and young people.
- ✓ Equip parents and carers with the right plans and support to care for children with additional needs.
- ✓ Offer respite for parents and carers to promote their physical and mental well-being.
- ✓ Prevent family breakdown and reduce the number of children entering the care system.

Our Values

Compassion: Kindness and respect in all interactions.

Opportunity: Helping children grow, learn, and thrive.

Partnership: Building strong relationships with families and agencies.

Empowerment: Fostering resilience and coping strategies.

Children's Voices, Wishes, and Feelings

Children's voices are central to all our assessments, care plans, and interventions. We ensure that children and young people are actively involved in creating and reviewing their care and support plans, ensuring their needs are met and their safety is prioritized. We advocate for children to receive the right care and support.

Our Services

Short Breaks Support:

Flexible respite care for parents and carers of children with disabilities or special needs, either at home or in the community, providing a break for carers while fostering children's personal and social development.

Crisis Intervention:

24/7 emergency support to prevent family breakdown, including welfare visits, post-hospital discharge support, and assistance during crises, ensuring safety and stability for children and families.

Practical Support:

Hands-on help with daily routines, parenting guidance, and community integration, promoting a positive home environment and effective behavior management.

Personal Care:

CQC-registered support for children with disabilities to live independently, including assistance with daily activities, personal care, medication management, and developing life skills.

Emotional Support:

Compassionate guidance for families in crisis, facing mental health challenges, or grief, helping reduce isolation and build resilience.

Preventive Support for At-Risk Children:

Collaboration with Local Authorities to prevent children from entering care, focusing on family strengths, crisis management, and empowerment to ensure safety and positive outcomes.

Referrals and Care Planning:

Comprehensive assessment and individualized care planning to meet specific needs, with regular reviews to ensure effective support.

Referral Process

All new referrals are screened by a qualified Social Work Team Manager to ensure appropriate support levels. We work closely with families and Local Authorities to develop personalized care plans.
